

# Feel Somebody

Sunflower Bean

Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah

I keep replaying the same old games in my mind mind mind  
I've had some lovers and I swear I wasted all of their time  
'Cause late at night you know emotions run high high high  
Don't be so crazy and call someone baby baby yeah

Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah

If I say I love you will you forget it by tomorrow?  
I love forgetting things I never meant because they're hollow  
And maybe if you've had a lover you can find another  
What are you trying to protect-tect-tect-tect-tect-tect-tect-tect-tect?  
What are you trying to protect-tect-tect-tect-tect-tect-tect-tect-tect-tect?  
What are you trying to protect-tect-tect-tect-tect-tect-tect-tect-tect-tect?

Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah

Yeah yeah yeah  
Yeah yeah yeah  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah yeah yeah
