

# King Of The Dudes

Sunflower Bean

I know what I want and I  
Know how to get it  
I won't let you stand in my way  
My way, you're in my way  
I don't need to think  
I just reach out and take it  
It's what I was born to do  
To do, to do-do do

I'm the king of the dudes  
If you want me to be  
I can lead you  
If you need me baby  
I can be your queen if  
You know what I mean

I'm hung to slay  
Like aqua seafoam shame  
Yeah, you know my name!

Did I just walk in on some  
Circle jerk shit?  
Just like I knew I would  
I would, I would-would would  
I don't take it to heart  
When you don't understand it  
I wouldn't expect you to  
You too, and you two too

I'm the king of the dudes  
If you want me to be  
I can lead you  
If you need me baby  
I can be your queen if  
You know what I mean

I'm hung to slay  
Like aqua seafoam shame  
Yeah, You know my name!

King!  
King!

I'm the king of the dudes  
If you want me to be

I'm hung to slay  
Like aqua seafoam shame  
Yeah, you know my name!  
King
