I told you not to be deceived
That the moment you take this hand, it'll be dangerous
Now you're bleeding, but are you still attracted?
You clearly know but why are you staring at me?

Just let go
Don't even hesitate a little
Just let go
You know
That I'll hurt you
The beautiful me of your fantasies doesn't exist
(Can't you see that boy?)

Get away out of my face
Don't come any closer boy
(Even if I'm sad, I won't cry)
Get away out of my face
Don't look at me anymore, boy
(Even if I'm sad, I won't cry)
Lalalalala lalalalala
Lalalalala lalalalala

The look you're giving me when I'm so cold to you
The moonlight that shined on us is setting now
Can't you see? Your hand that can't let go
Is slowly getting red

Just let go
Don't even hesitate a little
Just let go
You know
That I'll hurt you
The beautiful me of your fantasies doesn't exist
(Can't you see that boy?)

Get away out of my face
Don't come any closer boy
(Even if I'm sad, I won't cry)
Get away out of my face
Don't look at me anymore, boy
