

Welcome To My Life

Sunrise Avenue

Ami
1. This is not really me
F **C**
You're an angel not asking who I am
G
You understand
Ami
That is not really you
F **C**
You look at me as if I'm something more
G
Well dream on

F **C**
R: Welcome to my life
G
You see it is not easy
Ami
But I'm doing all right
F **C**
Welcome to my dream
G
It's the only one who needs me
Ami G F
And stays right by my side

2. Welcome to my wonderland
It'll take time to find out where we stand
In all this mess
There was the first day for me too
And I had no guide and I was lost like you
I still am

D
But it makes me feel alive

R: Welcome to my life
You see it is not easy
But I'm doing all right
Welcome to my dream
It's the only one who needs me
Ami
And stays by my side

B **F**
*: Once upon a time there was a guy
C **G**
Who thought life is a joyride of ladies red wine
B **F**
He was so sure he'd get the prices and the glory with his rhymes
C **G**
He'd never need no one to be there beside him
B **F** **H**
Now they're all surrounding me and I feel lonely
Ami
So lonely

R: Welcome to my life
You see it is not easy
But I'm doing all right
Welcome to my dream
It's the only one who needs me
And stays right by my side
