

Three Colors

Sunset Rubdown

Oh...

Do you believe that you belong to something?

I can't believe that I belong to nothing.

Do you believe that you belong to something?

I can't believe that I belong to no one

I can't believe that I belong to no one

Oh...

La, la, la...

I go la, la, la...

Do you believe that you belong to somewhere?

I can't believe that I belong to nowhere.

Oh...

I can't believe that I belong to nothing.

Do you see three colors? Do you see them?

Do you see them? (Oh...)
