Love Lights

Sunset Sons

I'ma gonna break the mould
I ain't ever gonna listen to you
It's getting old
I don't care if you think it's true
I'm gonna shine
Fight for what I believe
You're gonna wish that you never didn't listen to me
I'm gonna take a die
A moment alive
I can tell by the look in your eye
You're gonna make time
I'm gonna change your mind

Are you ready to believe it?
Or were you into something new?
Because you used to live and breathe it
And now I'm leaving without you
It's all I ever needed
Now I'm lying on the floor
I don't care if you believe it
I'll prove you wrong for sure

You could never tell me no
I'm getting sick and tired of hearing you lose
I'm gonna win, my fault
Getting back up again
You better watch out now I got my eyes on the prize
You think you're funny now, you got your head in the sky
I don't really care if you're on my side
Funny how this is gonna be a surprise
But now you're lalalalala

Are you ready to believe it?
Or were you into something new?
Because you used to live and breathe it
And now I'm leaving without you
It's all I ever needed
Now I'm lying on the floor
I don't care if you believe it
I'll prove you wrong for sure

I don't care if you don't believe
I'ma gonna turn you on
I don't care if you don't believe
I'ma gonna turn you on
I don't care if you don't believe
I'ma gonna turn you on
I don't care if you don't believe
I'ma gonna turn you on
I'ma gonna turn you on

Are you ready to believe it?
Or were you into something new?
Because you used to live and breathe it
And now I'm leaving without you
It's all I ever needed
Now I'm lying on the floor

I don't care if you believe it
I'll prove you wrong for sure

Are you ready to believe it?
Or were you into something new?
Because you used to live and breathe it
And now I'm leaving without you
It's all I ever needed
Now I'm lying on the floor
I don't care if you believe it
I'll prove you wrong for sure
