

# Smile

## Sunset Sons

Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh, ooh  
Smile, ooh, ooh  
Smile, ooh, ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh

We get scared sometimes, feel like we can't see  
Find peace of mind, tryna have relief  
And it's hard to know what to believe  
From lessons learned hearts on our sleeves  
But if we're burned so helplessly  
We'll find ourselves a new place to breathe  
We get scared sometimes, feel like we're blind  
And if we need to go buy ourselves a new state of mind

So we can be nothing more than what we've learned in timing told  
But maybe there's something more that we can just reach out and hold  
And we may never be forever gotten  
And through it all I'll make you...

Smile, ooh, ooh  
Smile, ooh, ooh  
Although it's been a while  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
I will make you  
Smile

It gets hard sometimes, wish we could rewind  
But it's times like these, teach us to believe  
So dry your eyes so we can find  
What it takes, you know it's a state of mind

So we can be nothing more than what we've learned in stories told  
But maybe there's something more that we can just reach out and hold  
Pure hearts can never, ever be forgotten  
And through it all, I'll make you

Smile, ooh, ooh  
Smile, ooh, ooh  
Although it's been a while  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
I will make you  
Smile

Too many humans and not enough souls  
That's what's painted when we open our door  
So tear down those wars and I'm tired of bias  
And open our eyes  
But if we're burnt so helplessly  
We'll find ourselves a new place to breathe  
We get scared sometimes, feel like we're blind  
But just remember, you can always smile

Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh, ooh  
Smile, ooh, ooh  
Smile, ooh, ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh  
I will make you

Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile, ooh-ooh-ooh, ooh-ooh-ooh  
Smile
