

# Watch Your Back

Sunset Sons

You better watch your back  
Sure don't know how it came to that  
You played the games  
And you took the fall  
Should've if I'd had known you scoundrel

You scoundrel

Gonna take time to follow you  
And have a little think about what to do  
Find a good place for me to hide  
It's gonna be fun to watch you cry  
(Ah, ah, ah, ah)

You ain't gonna ever run away  
You ain't gonna ever run away  
You ain't gonna ever run away, you ain't gonna ever run away  
You ain't gonna ever run away, ever run away  
Ever run away again

Gonna ask you one goddamn time  
Where you went, and why you lied  
Take a little ride in my big black car  
And people gonna wonder where you are  
Wonder where you are

You ain't gonna ever run away  
You ain't gonna ever run away  
You ain't gonna ever run away, you ain't gonna ever run away  
You ain't gonna ever run away, ever run away  
Ever run away again

You ain't gonna ever run away  
You ain't gonna ever run away  
You ain't gonna ever run away, you ain't gonna ever run away  
You ain't gonna ever run away, you ain't gonna ever run away

You ain't gonna ever run away, you ain't gonna ever run away  
You ain't gonna ever run away, you ain't gonna ever run away  
You ain't gonna ever run away, you ain't gonna ever run away  
You ain't gonna ever run away, ever run away  
Ever run away again
