

Dance Fast Die Young

Sunshine

Baby, run run run, baby run!
catch the demons dancing in your golden mask
baby, run run run, baby run!
spill the poison - don't ever ask
get you'r hands clappin'

Ohhh, wicked! murder! murder!
Ohhh, wicked! murder! murder!
Ohhh, wicked! murder! murder!
Ohhh, wicked! murder! murder!
Bad acid, ooh, we know, we know,
we are not twenty anymore!
Bad acid, ooh, we know, c'mon,
we are not fuckin' twenty years old anymore!
Double vodka and coke
heavy drinkin' no joke
cheap kills, fast girls, no skills, white pills
double vodka and coke
heavy drinkin' no joke
and passed out in the club

see that girl?
she's sick
she's got lil' tattoo
inside her lower lip
tight jeans
nasty tricks
she's got lil' devil's number
inside her lips
(666)

Bad acid, ooh, we know, we know,
we are not twenty anymore!
Bad acid, ooh, we know, c'mon,
we are not fuckin' twenty years old anymore!
Double vodka and coke
heavy drinkin' no joke
cheap kills, fast girls, no skills, white pills
double vodka and coke
heavy drinkin' no joke
and passed out in the club

is she hot hot hot?
no, she is not not not
is she hot hot hot?
no, she is not!
is she hot hot hot?
no she is not not not
is she hot hot hot
oh, she is not!
double vodka and coke
heavy drinkin', no joke
double vodka and coke
heavy dinkin'
passed out a six
and get up at ten
take a shower, get dressed

and go out again

Bad acid, ooh, we know, we know,
we are not twenty anymore!

Bad acid, ooh, we know, c'mon,
we are not fuckin' twenty years old anymore!

Double vodka and coke

heavy drinkin' no joke

cheap kills, fast girls, no skills, white pills

double vodka and coke

heavy drinkin' no joke

and passed out in the club
