Let's Have Hips Talk

Sunshine

you're soft and smooth and leaving soon oh i guess it's time my ghosts take me down your crazy side this game left behind i go t to feel the sun came down it doesn't hurt it doesn't cause me to much pain you need my help tie me down with daisy chains do n't look at me just think about that you're unsafe enough for n ow throw little lies you never got get up for now and never say that you'll leave swansey town i am just an aim i want to help never watch you let's get up get up get up now you're crying o ut along the way i wonder why i'm living without you let's get up get up get up i've got a feeling now of what i have to say c ross the sides now i know how i can find you i am just as good as you spit on me innocent doll swing down and fix me i owe you you cut off the phone clean up the room i guess the silence ma kes a heavy sound oh yeah i want to help :.:. you smile then fr own if i get that smile it comes as a surprise every time and n ot too soon i'll not disown you yeah i want to help never watch you let's get up get up get up now you're crying out along the way i wonder why i'm living without you let's get up get up ge t up i've got a feeling now of what i have to say
