Neon Religion

Sunshine

yeah burn read the lines be succeed read the signs i couldn't c
are less killing time i'm every time i'm every sign yeah burn r
ead the signs you be succeed read the signs i couldn't care les
s sex and violence can take you to a place where ego's getting
fuckin' real make-up it's sign for blind sheep walking by it's
nice to see you alive you gonna now believe me robbers breaking
thru your internal walls beauty of terror fashion victim wanna
see ya high say hail for perfect crime for those who cannot sc
ream that loud we can curse and pray sick religion we opened th
e file we're looking for a kid who is able to lie sick religion
we are looking to buy shut your mouth don't fucking cry you mo
therfucker for those who can not scream that loud we don't wann
a die you gotta bug in your head not me there is a second thoug
ht way to go you said we came alone not me there is a second th
ought way to go they set me up to give silence a brand new soun
d hoping that the bastard son will go blind from the god damn s
un they set me up to give silence a brand new sound i hope that
they're gonna fry scalps hanging on the wall go to bloody hell
burn this place down i'm a new religion yeah give me a hug cal
l me a slut celebrate new order let's get together celebrate di
sorder go to bloody hell i'm a new religion yeah i am a new rel
igion go to bloody hell
