

# Taste of Heaven

Sunstorm

The time has come to set us free  
And run away from the lie  
I'm here for you and  
I'm on my knees  
Ready to pay the price

You'll never cry for a goodbye  
Time will be on our side  
I'll give you wings so you can fly  
All of your tears will be dried

You cannot wait for tomorrow  
Living in the deepest sorrow  
Life is here and now  
I will show you how

It's hard to read your mind  
I'll never compromise  
Your place in my world  
I'll always be the one  
To have your taste of heaven

You'll never be alone again  
You know I can't pretend  
Set your hope free and I will stay  
With you every night and day  
You cannot wait for tomorrow  
Living in the deepest sorrow  
Life is here and now  
I will show you how

It's hard to read your mind  
I'll never compromise  
Your place in my world  
I'll always be the one  
To have your taste of heaven
