

Big Dummy

Supa Bwe

Standing on the couches in the club
It's 5 A.M., I don't like this anymore
Pick me up
Show me love
Love is in your blood
Pick me up

Big dummy, you a bum
Steady tryna hit my blunt
150 for my 1's, 150 for my lunch
I just spent 150 on some 151
One second lemme get 150 one's just to stunt
One second lemme get 150 one's just to stunt
One second lemme get 150 one's just to stunt
