

## Buddy Pine

Supa Bwe

I can put you on with the answers  
I'ma pop a xan, I'ma phantom  
Shordy from the land think I'm handsome  
Shordy from the town see the talent  
Started with a crowd of my friends  
Now the crowd know my name and they chantin  
Fuckin up the game with this magic  
I can tame a thot with this magic  
Freddy got magic  
Nigga check yo thots they not lavish  
I make hits, yo shit average  
Hard in the paint, in the canvas  
In Kansas, In New York  
Atlanta and Texas  
Now I'm checkin traveling off my checklist  
Now these niggas scramble for my guest list  
Got yo ho's on stage actin reckless  
Now we gettin paid and it's dangerous  
Privatize some land and a necklace  
You might see Supa start flexin  
You gone see Supa start flexin, teach you lifes lessons  
Everyday you breath is a blessin

All I need is some weight, just some weed and a weapon (forever  
and ever)  
All I need is a plate and I'm eatin forever (forever and ever a  
nd ever)  
All she needed is love, she gon need me forever (forever and ev  
er)  
All you need is a plug and you eatin forever (forever and ever  
and ever)
