

BUGGIN

Supa Bwe

Yeah, shit, shit
In and out the shit since the O
She was buggin', had to leave that hoe alone
I've been buggin' cause what's in my Styrofoam

I ain't never felt this way before (I pop pills)
I pop Xanax, I pop pills, I pop more (I pop pills)
Them hoes some hoes, just let that hoe go be a hoe (Them-them-them-them hoes)
Them hoes I put on lil' bro, bro just dropped the low (I love that hoe)
My shooters numbin' off a good bit of coke (Bit of coke)
I got bitches walkin' in and out my home (I got, I got)
She was buggin', had to leave that hoe alone
I've been buggin' cause what's in my Styrofoam (What's in my cup got me buggin')

My lil' nigga buggin', he gonna get it done for low (He gon' do that shit)
Lil' baby, I'm thuggin', I been in it since the O
My daddy was a cop that don't make me no one's low
He was thuggin', dirty cop, dirty pour (Fuck these niggas, know what I'm sayin'?)
Peas in a pod, think I'd probably do the same thing (Bu-buh, buh, buh)
Look at that van, hand me the fire, the fuck is you saying? (Bu-buh, buh, buh)
You get shot doing a lot, all that playing (Bu-buh, buh, buh)
I been in and out the shit since the O
