

Come Close (Get Away)

Supa Bwe

Now you wanna love on me, yeah
Live a life of luxury, my love is a luxury
Touch me like you want something, yeah, yeah, yeah
Fuck me like you want something, else I'll tear off your wings
Our love was a beautiful thing, yeah, yeah, yeah
Love was a beautiful thing, yeah
Our love was a beautiful thing, yeah, yeah, yeah
Love was a beautiful thing, yeah

I call her little girl, she gon' fuck me like an animal
I call her little girl, she gon' fuck me like an animal
I call her little girl, she gon' fuck me like an animal
I call her little girl, she gon' fuck me like an animal

Fuck me like an animal
I don't give, like, two shits
'Bout your issues with my movements
'Cause when I move, I cruise manual
iTunes soon, goddamn, I'm close
I don't do the music distribution, ain't important
When your fans come pack out all your shows
I gave up, like, all my hoes, this movie got boring
Till the credits roll, revealing all my homies I don't have no
more
I ran out so far from home, came back with new stories
Showed my pops that love was right a long time ago
All I needed was love
All we need is love
All we needed is love
All I needed was some love

Now you wanna love on me, yeah
Live a life of luxury, my love is a luxury
Touch me like you want something, yeah, yeah, yeah
Fuck me like you want something, else I'll tear off your wings
Our love was a beautiful thing, yeah, yeah, yeah
Love was a beautiful thing, yeah
Our love was a beautiful thing, yeah, yeah, yeah
Love was a beautiful thing, yeah

I call her little girl
