

## Contacts

Supa Bwe

It all come down to who you know  
It all come down to who you know (Who you know)  
Woo!

I don't text dude bitch no more, just Snapchat, Snapchat  
I only send her pics in my Hurt Everybody snapback  
She gon' fuck a nigga for a hashtag, a hashtag  
In the hatchback, blowin' hash back, I'm faded  
Now you wanna know me cause I've almost made it  
I can't pick up phones cause I'm almost famous  
I can't pick up phones cause that phony shit contagious  
I can't fuck with rappers cause these niggas so pretentious  
Silent on the set (Shhh, shhh)  
These niggas actors, I ain't sayin' shit (Shhh, shhh shhh shhh)  
Cause if you say shit, then we on that it's combat  
No contracts, just money and some hoes makin' contact  
She just wanna fuck me for my contacts, my contacts  
Fuck her, keep it movin', that's some real shit, damn, damn

Fuck her, keep it movin', that's some real shit, no contact  
Fuck her, keep it movin', that's some real shit, no contact  
Fuck her, keep it movin', that's some real shit, no contact  
Pop another Xan then I kill shit, no conscience  
She say she an angel and she love me, no comment  
Blanco un Diablo, she an agent, his contact  
Fuck her, keep it movin', that's some real shit, no contact  
Pop another Xan before I kill shit, no conscience  
She say she an angel and she love me, no comment  
Blanco un Diablo, she an agent, his contact

It all come down to who you know  
It all come down to who you know  
It all come down to who you know

I can't pick up phones cause that phony shit contagious  
I can't pick up phones cause that phony shit contagious  
I can't pick up phones cause that phony shit contagious  
I can't pick up phones cause that phony shit contagious  
I can't pick up phones cause that phony shit contagious  
I can't pick up phones cause that phony shit contagious  
I can't pick up phones cause that phony shit contagious  
I can't pick up phones...
