

Hating On Me

Supa Bwe

[Supa Bwe & UG Vavy:]

Hating on me 'cause I got a couple bands now
Hating on me 'cause I got a couple fans now
Hating on me 'cause my groupies mad as hell now
Ayy, uh, Supa gotta tweet, bitch that's a man down, yeah

[Supa Bwe:]

Left the crib, got three bands on me (two Glocks)
I ain't goin' home lonely any more
Hit the club, got three hoes with me (three thots)
We gon' throw a buck fifty on the floor

Shawty know my job, she know what I do
Once I cash this check, I'ma run it too
She became a star, she became a moon
Shawty know her job, she know what to do

[Supa Bwe & UG Vavy:]

Hating on me 'cause I got a couple bands now
Hating on me 'cause I got a couple fans now
Hating on me 'cause my groupies bad as hell now
Ayy, uh, Supa gotta tweak, bitch that's a man down, yeah

[UG Vavy:]

I say first she wouldn't f*ck but she a fan now, ayy, uh
Sparking more woods than a campground, yeah
Walk by your bitch, that's a man down, ayy, uh
Supa gotta tweak bitch that's a man down, yeah
