

I Hate Being Alive

Supa Bwe

Don't do it, don't do it, don't do it
Don't, don't

If I was dead, you wouldn't trip
No more questions, bitch that's it
No more friends, get off my dick
Get out my head, all these voices

Supe, Supa, Supe

Fuck my life, they say I'm hard like 36
36, I need a brick
Whip the magic, whip the witch, I whip it
Andele, andele, bruja, bruja
Andele, andele, bruja, bruja
Fuck my life, they say I'm hard like 36
36, I need a brick
Whip the magic, whip the witch, I whip it
Andele, andele, bruja, bruja
Andele, andele, bruja, bruja

Fuck my life, they say I'm hard like terracotta
In the kitchen 'cause I gotta
In the kitchen, Benihana
Tom Brady, that's a bullet, Tom Brady, that's a bullet
Don't pull it, you a goofy
Tom Brady, that's a...

Fuck my life, they say I'm hard like 36
36, I need a brick
Whip the magic, whip the witch, I whip it
Andele, andele, bruja, bruja
Andele, andele, bruja, bruja
Fuck my life, they say I'm hard like 36
36, I need a brick
Whip the magic, whip the witch, I whip it
Andele, andele, bruja, bruja
Andele, andele, bruja, bruja
