

# I Hate You

Supa Bwe

Got a flight at 9 a.m., I'm feelin' myself  
(Feelin' myself, feelin' myself)  
Baby girl, come slide by if you ain't doin' shit else  
(Feelin' myself, feelin' myself)  
I'm lonely and the company helps  
I need it but I hate you  
Baby girl, come slide by if you ain't doin' shit else  
(Feelin' myself, feelin' myself)

(That's 'cause I can't trust nobody else)  
Got a flight at 9 a.m., I'm feelin' myself  
(That's 'cause I can't trust nobody else)  
Won't make it out alive, not by myself  
(That's 'cause I can't trust nobody else)  
Two-two Xans in me, I don't feel shit else  
(That's 'cause I can't trust nobody else)

Got a flight at 9 a.m., I'm feelin' myself  
(Feelin' myself, feelin' myself)  
Baby girl, come slide by if you ain't doin' shit else  
(Feelin' myself, feelin' myself)  
I'm lonely and the company helps (On the inside)  
I need it but I hate you (On the outside)  
Baby girl, come slide by if you ain't doin' shit else  
(Feelin' myself, feelin' myself)

But I hate you, I hate you  
Baby, I don't wanna leave you, maybe understand you  
Lately, I can't stand you  
I hate you  
Every time we fuck, we make a breakthrough  
I hate you  
Baby, I don't wanna leave you, maybe understand you  
Lately, I can't stand you  
I hate you

(Slide by)

But I hate you (I hate you)  
(Feelin' myself  
That's the one, the one)  
(That's the one, that's the one)  
But I hate you  
(Feelin' myself, feelin' myself, feelin' myself, feelin' myself  
Feelin' myself, feelin' myself, feelin' myself)  
But I hate you (But I hate you, but I hate you)
