

Interlude (I Can't Answer Phones)

Supa Bwe

I can't answer phones
Someone pick me up
I feel all alone again
Someone pick me up
Full moon out but no change
When I'm half lycanthrope
I feel all alone again
I feel on my own
Hubris my own friend
Don't pick me up
Anubis my old friend
Please come pick me up
Because I can't answer phones
Like someone pick me up!
Not right now, I'm high as fuck
(Not now, nah, not now)
Will someone pick me up?
(Not now, nah, not now)
I feel alone again
Someone pick me up
(Come pick me up)
I feel alone again
Won't someone pick me up?
(Come pick me up)
I can't answer phones
(Come pick me up)
I can't pick shit up
(Come pick me up)
I can't answer phones
(Come pick me up)
I can't pick shit up
(Come pick me up)
I can't answer phones...
