Goin', her sphinx is golden but time is worth more than gold
Bout time I get what I'm owed
Feel like I'ma end up standing on my own

Then close my eyes and get on fuck shit cause I'm glowin'!
Every time you see me let me get a ten-four!
And I bet I haunt your dreams muhfucka cause you sleepin'!

Got weed yay pills, muhfucka it's a secret!

Diving in and outa hoes for no muhfuckin reason!
Ho ho ho tiss the muhfuckin season!
