

# New Goddess

Supa Bwe

(Wait, niggas talk war talk  
Wait, they don't want nothing)

Shorty a real real  
Supa!  
Magic!

Boy I get money  
Like a bun in the oven  
I came up with nothing

Supa! Supa!

New Goddess (woo!)  
You can have it all  
New Goddess (woo!)  
You can have it all  
New Goddess

Who you need? It's you and me  
Tell me who you need, it's you and me  
Who you need? It's you and me  
Tell me who you need, it's you and me

How you sleep without me?  
What you think about me?  
I been thinking bout you  
Do you think about me?  
I been thinking bout you

How you think without me?  
I can't sleep without you  
I been thinking bout you  
Do you think about me?  
What you think about me?  
What they sing about me  
Do you ride through?

Business been booming  
Rolling, keep moving  
Back to the movement

Wait, niggas talk war talk  
Wait, they don't want nothing  
Wait, came up with nothing  
Wait, turned into something

New Goddess (woo!)  
You can have it all  
New Goddess (woo!)  
You can have it all  
New Goddess

Who you need? It's you and me  
Tell me who you need, it's you and me  
Who you need? It's you and me  
Tell me who you need, it's you and me

Shorty I been turning all the sound into JPEGs  
Walk into the bank, walk out and I flex  
Yeah I'm still the same, I don't play, I am here to stay  
Told her stay away, I'm in your city lil' bitch stay away  
Gold on my wrist, walked in let my chain  
Pussy tuck your chain, you don't want it boy, tuck your chain  
Gold on my wrist, walked in, oops, took your bitch  
Pussy tuck your chain, you don't want it boy, tuck your chain

Wait, niggas talk war talk  
Wait, they don't want nothing  
Wait, came up with nothing  
Wait, they don't want nothing

Wait, niggas talk war talk  
Wait, they don't want nothing  
Wait, came up with nothing  
Wait, came up with nothing

Shorty a real real  
A real real

Shorty a real real  
A real real

Shorty a real real
