

NO THANKS (THE VOID)

Supa Bwe

Who said dying wasn't easy?
Because we're dying all the time
My girl said, "Try and take it easy"
But I've got dying on my mind

I hope I melt when the sun comes up
I hope I melt when the sun comes up
I hope I melt when the sun comes up
I hope I melt when the sun comes up

"What is called, "The Spirit of the Void," is where there is no
thing
It is not included in man's knowledge
Of course, the void is nothingness
By knowing things that exist, you can know that which does not
exist
That is the void
People in this world look at things mistakenly and think what t
hey do not understand must be the void
This is not the true void, it is bewilderment
With your spirit settled, accumulate practice day-by-
day and hour-by-hour
Polish the two-fold spirit, Heart and Mind
And sharpen the two-fold gaze, Perception and Sight
When your spirit is not in the least clouded
When the clouds of bewilderment clear away
There is the true void
In the void is virtue and no evil
Wisdom has existence, principal has existence
The Way has existence
Spirit is nothingness"
