

## No Thanks

Supa Bwe

Who said dying wasn't easy?  
Because we're dying all the time  
My girl said, "Try and take it easy"  
But I've got dying on my mind

I hope I melt when the sun comes up  
I hope I melt when the sun comes up  
I hope I melt when the sun comes up  
I hope I melt when the sun comes up
