Supa Bwe

Rememory
Way, way back when summer was hot
Rememory
Way back, way back

I used to hold your hand, used to hold your hand tight (Huh)
I used to know the plan, you still know the plan, right? (Huh)
I hope you know I'm playin', you still know I'm playin', right?
I hope you damn right, alright (Sheesh, sheesh)

Smokin' on gas (Sheesh)
Even though people don't pass, people gon' laugh (Sheesh)
Keepin' my feet on the gas, keep it on tab
Keep it on, leave it on, even ain't even no gas (Sheesh, sheesh)
People gon' gas
People gon' tell you 'bout lawns that's green, it ain't even no grass
Talkin' 'bout leavin' so fast, none of them even gon' last (Ahh!)
Walk in the world (Sheesh)
Walk 'round the world without you (Sheesh, sheesh)
Stuck in the world (Sheesh)
What is the world without you?
I can't pretend it never happened (Huh)
Even if you wish it hadn't (Huh)

I used to hold your hand, used to hold your hand tight
I used to know the plan, you still know the plan, right?
I hope you know I'm playin', you still know I'm playin', right?
I hope you damn right

(A-a-a-a-ayy, ayy, ayy)
When I'm away, I lose my damn mind
I be missin' you like landlines
Little moon, you the landslide
Spent 33 hunnid on Margielas, they some Masons
They-they said I was cappin', cap and gown, had to trade it in
Y'all-y'all be thunder cappin', cappin' loud, call 'em Raiden
I-I ain't tryna cap on you at all, girl, I'm stayin' in
Why you had to get them hoes involved, girl, I'm sayin'
We ain't gotta fight, no, not at all, I be playin'
You are not alone if you with me, just be patient
We can leave and be MIA on vacation
(A-a-a-a-ayy, ayy, ayy)
When I'm away, I lose my damn mind
I be missing you like landlines
Little moon, you the landslide
Ayy, ayy
From the land full of hand signs
Cup muddy like the landslide
So I'ma sip 'til I can't lie
