Golden Retriever

Super Furry Animals

Hey, said the devil When I met her at the roundabout She's got powers magnetic Devours you of everything you've got She's a golden retriever Retrieves your oldest coin Leads you blindly down every dark alley And then she'll cream you dry Stop, said the puppy When I met him at the zebra cross Said "You'll need protection from every direction But she'll get you anyhow" 'Cause she's a golden retriever Retrieves your oldest coin Leads you blindly down every dark alley And then she'll cream you dry She's a golden retriever, golden retriever Golden retriever, golden retriever Golden retriever, golden retriever Golden retriever, golden retriever
