

Inconvenience

Super Furry Animals

Inconvenience, what the fuck!?
Inconvenience, we're breaking up
Inconvenience, ran out of gas
Inconvenience, pain in the ass
(Space emission) [?]
Inconvenience, burning tyre
Inconvenience, set me on fire
Inconvenience, times are tough
Inconvenience, she's calling my bluff
With all this inconvenience...

Inconvenience, pirate ships
Inconvenience, stole my shit
Inconvenience, Tory scum
Inconvenience, stall the fun [?]
Inconvenience, holy wars
Inconvenience, reaching my door
Inconvenience, I'm under siege
Inconvenience, I'm feeling diseased
With all this inconvenience...
