

## Something 4 the Weekend

Super Furry Animals

First time, I did it for the hell of it  
Stuck it on the back of my tongue  
And swallowed it  
Second time, things are  
Getting easier  
Blow me down this wind  
Is getting breezier  
Third time lucky, maybe feelin' fuzzy  
Oh my God! we're getting hippy-dippy!  
5-6-7 man I'm in heaven  
And I'm growing my beard  
Until it gets sheared

You're on my mind  
Every day and every night  
And you'll never go away  
Cause I know you're here to stay  
For the rest of my mind

First time, I did it for the hell of it  
Stuck it right up and that  
Was the end of it  
Second time, things are  
Getting easier  
Hairs on the back of  
My neck are getting stickier

Third time unlucky perversely bloody  
Doctor I'm ill please pass  
Me the brandy  
5-6-7 I heard George Foreman say:  
Slow horses loose  
Fast women frighten  
You're on my mind  
Every day and every night  
And you'll never go away  
Cause I know you're here to stay  
For the rest of my mind

I just keep repeating myself  
I just keep repeating myself  
I just keep repeating myself
