The Horn

Super Furry Animals

Go, go with the flow
Rock, rock the freeway
Drink, smoke, love, enjoy the ride
Right or wrong
Hair down long
We vote her out
Nationwide screams and shouts

Go, go with the flow
Rock, rock the freeway
Billions of bees feed on honey trees
Join the core
And some more
You choose the place
Final resting place face to face

Twinkle twinkle
Rain and ears
Twinkle twinkle
City Arms
Go, go with the flow
Rock, rock the freeway
Go, go with the flow
