

# The International Language of Screaming

Super Furry Animals

It's not where you're from  
It's not where you're at  
It's not where you've been  
It's where you're between  
It's not what you've been  
It's not what you've seen  
It's where you're between  
It's not what you've seen  
It's where you're between...

From A to B  
Then on to C  
Don't stop the journey  
Till you get to Z  
Till you get to Z  
There's nothing to see  
Don't stop the journey  
There's nothing to see  
Don't stop the journey

Every time I look around me everything seems so stationary  
It just sends me the impulse to become reactionary  
Spell it out, rip it up, rearrange it on the contrary  
If I scream it, I mean it, I hope you will understand me
