I will try...
Oh oh yeah

Just like the usual
Hello with your wink
Smile that can fool anyone
Even when I try to look good
It was exposed that I'm feeling down
To you definitely

You know the real me
And yet you stay with me
And laugh

I wanna say I love you
I will always come back here
Color that suits you
I'll send together with pretty ribbon
A gift that'll reach that lovely smile

Tears that keep falling in your heart
You don't have to hide it with that hand
Show it to me
Your weakness too (everything)
And your everything (everything)
I'm here with you

I wanna show it to your crying face
My treasured scenery
I wanna bring you there

Ah because you're there
I can stay just the way I am
My thought for you
I'll put it in a small message card
And send to you
I want you to accept it

In any day you're (in any time)
With your usual smile
You waited for me
More than any word
More than any jewel
It's an irreplaceable gift

Ah because you're there
I can stay just the way I am
Just like what you gave me
I'll find something I can give to you
In this lovely day

I wanna say I love you
I will always come back here
Color that suits you
I'll send together with pretty ribbon
A gift that'll reach that lovely smile

Oh whoa, oh oh whoa
Thank you for the love
