This cold night street  
These heartbreaking footsteps  
Some day, it'll all pass  
Memories of us crazily in love  
It will slowly flow down  
Forgotten with time (Forgotten)

I tried going into your closed heart  
But in this empty room  
I discovered ourselves already broken  
So it hurts

But I hope you aren't hurting as much as me  
I hope for this every day, countlessly  
I hope you won't remember as much as I do  
I hope you're better than me (oh today and tomorrow)

My thoughts that were filled with you  
Even those thoughts push me away  
As if they're irritated  
I chase after the clock hands, chase after time  
But there, I discovered you leaving  
I'm in a rush and you're in a hurry to leave  
Like an express train, my footsteps are  
Rushed every day - (Surrendered to the memories)  
Now we're like an old

And worn notebook filled with scribbles

I tried going into my lost memories  
But now I can't see you  
I discovered ourselves already disappeared  
So it hurts (it hurts so much)

But I hope you aren't hurting as much as me  
I hope for this every day, countlessly  
I hope you won't remember as much as I do  
I hope you're better than me (oh today and tomorrow)

One Two Three Four Five (I put it all down today)  
I guess I'm forgetting (I can't really see you)  
Five Four Three Two One, I think time is up

But I hope you aren't hurting as much as me  
I hope for this every day, countlessly  
I hope you won't remember as much as I do  
I hope you're better than me (oh today and tomorrow)
