□□□ □□□□□  
If you woo woo woo  
□□□□□ My babe

If you woo woo woo  
If you woo woo woo  
Um you don't know me

Where did we go wrong?  
Days with you are now the past  
Losing my way, the cold winter breeze piercing my heart

The talks we share, everything  
The kindness you gave me  
I can't let it all go, I can't let it go

I don't know what to do for you  
That "goodbye" is still  
Ringing in my sad heart like this, oh  
I can't believe that leaving me  
Although I only wanted to be next to you  
You're already gone

Again, I am looking for you alone  
In this winter with a pained heart  
If you woo woo woo  
Just one thing that I seek you  
I place my feelings  
On this thawing powdered snow  
If you woo woo woo  
For you, the one I love, my babe

Our times that  
I solemnly believed wouldn't end  
Our future that sparkled  
Hey, both are now sorrowful

I don't know what to do for you  
That "goodbye" becomes  
Only a sad memory like this, oh  
I can't believe that leaving me  
Although I want to meet you right now  
Oh, I can't

Again, I am looking for you alone  
In this winter with a pained heart  
If you woo woo woo  
Just one thing that I seek you  
I hang my wish  
On the disappearing star  
If you woo woo woo  
To a faraway you, my babe

I still don't want to forget everything, no  
I wander in the same old times  
Without you I can't live

Again, I am looking for you alone  
In this winter with a pained heart  
If you woo woo woo  
Just one thing that I seek you  
I place my feelings  
On this thawing powdered snow

If you woo woo woo  
For you, the one I love, my babe
