Obsessed
I be your man
I'm not obsessed
I be your man (Here we go)

I watch you alone, while you're trembling with anxiety
Secretly in this room all night long
I start deeply desiring you
No, I speak like I'm obsessed, behind you

We chose our destiny and our instinct is awakening
Baby don't be scared, soon you'll like it too
Dominating your mind, slowly going crazy
I don't want to make this hard, I only

That look, knows it all
That you're making me so curious
I know everything about you (Just watch me)

I be your man
I'm not obsessed
You be my girl
Always stick with me
And I...
I know I know I know
You will be with me

Totally immersed, alone my crush
Love is a lonely feeling, can't possibly be easy Baby
On my own, when I can't feel you at all
Today as well I'll follow the sound of your footsteps (Yeah)

I know it all, that uncomfortable feeling
In a blink, you'll soon feel like you need me
I know everything about you (Just watch me)

I be your man
I'm not obsessed
You be my girl
Always stick with me
And I
I know I know I know
You will be with me

I know I know I know

I know I know I know
Not obsessed
I know I know I know
I know I know I know
Not obsessed

The days stained with hurt, will become one ray of light
Please stay with me, don't think of running away

I be your man
I'm not obsessed
You be my girl
Always stick with me
And I
I know I know I know
You will be with me

I know I know I know
