I'll focus and do a close up, hush my breath, fix you

You swallow up the lights, brighter than the stars
Narrow the distance between you and me
You're a breeze that shakes up the storm
In my once asleep heart
I'm blown away, go oh babe (You're my super star)

I'll steal you and put you in my film
Just the way you are, your dazzling figure
The locked shutter opens at your look
