Welcome to the scary house

Let's go!

We're drivin' foggy road

Moon light blurried by the fog, got lost in the graveyard

Don't you scream my girl

No such thing as scary, I'll protect you from danger

Dark lightning floating the restless mansion it's scary

Turn around and it's the dead end

No no you don't wanna come in uh

The closed front door

Gasping at the creaking floor

Gotta let it go gotta let it go now

Gotta get it on gotta get it on

Ladies and gentlemen, let the show begin

Scary house!

What the hell is this?

The devil house it's haunted

Welcome to the house

Welcome here if you want it

What the hell is this?

Angel beckoning to the dance floor

It's the scary house

The strange world begins to turn

(Don't be scared, don't be scared...)

You know we're doing this

(Don't be scared, don't be scared...)

We're takin' over now

(Don't be scared, don't be scared...)

Yeah yeah wow

(Don't be scared, don't be scared...)

Metal armors lining up in the long hallway

Don't touch the portrait's gaze is moving

Baby check your body right now

Spiders crawling on your back call the crossing black cat

The lady in red inside the mirror is scary

Who's that behind you

No no you don't wanna turn around uh

Even if you hit even if you scream no help is coming here

Gotta let it gotta let it go now

Gotta get it on gotta get it on

Ladies and gentlemen

Welcome to the scary house

Going crazy following the ghosts

Sadly raising attention let's listen to them
A hundred year story yeah

In the ballroom just me and you
I say let's start a secret ball
Girl don't be shy there's no time
A real kiss for you or we're gonna die

And to send them to heaven
Now dance

1 and 2 and 3 and 4 and...
I'll take you to the secret place and ...
5 and 6 and 7, 8 Now...
So let's go back to our life now
