

ZERO

Super Junior-D&E

Just I'm not in the play
Let's stop chasing time away
I don't wanna be afraid
But this breakup has me so torn apart
Feels like the distance is so far away
Being without you here I'm losing my mind

Run Run Run through the obstacles
Till our love goes boom like a cannonball
Many wounds cut deep on the rebound
All of the hurt inside let It breathe out

Everything is fading away
Lately I'm just not the same
Oh oh oh no
Oh oh oh no yeah
Just another day without you being alone
Makes me feel like I'm on ZERO
I need you to stay for me

Oh no way, don't give up on me
I fell deep in the rough
Won't go back there again Oh
Don't go away to stop this story
Cause scars were meant to last forever
Without you I'm
Without you I'm ZERO
(ZE ZE ZE ZERO)
Without you I'm ZERO

Our love used to be up on a swing
Past all the lights we were ridin' on green
But now we broken story
It's all my fault I'm sorry
Feeling the pressure now, stressing now
Could it be I'm breaking down
Lost in here without you now
My life with you is the highlight
I need you (by) here by my side

Everything is fading away
Lately I'm just not the same
Oh oh oh no
Oh oh oh no yeah
Just another day without you being alone
Makes me feel like I'm on ZERO
I need you to stay for me

Oh no way, don't give up on me
I fell deep in the rough
Won't go back there again oh
Don't go away to stop this story
Cause scars were meant to last forever
Without you I'm
Without you I'm ZERO
(ZE ZE ZE ZERO)
Without you I'm ZERO

Everytime you leave me baby
I freaking fall out
Can't escape these crazy feelings
Left and right right
It's hard to say what I feel inside
When my thoughts get crossed feeling unright
I only got one answer, your love is all I'm after

Oh no way, don't give up on me
We've got a long way left to go
Till we meet the end of the road oh
Don't go away to stop this story
We can write a new chapter
Happy ever after

Oh no way, don't give up on me
I fell deep in the rough
Won't go back there again oh
Don't go away to stop this story
Cause scars were meant to last forever
Without you I'm
Without you I'm ZERO
(ZE ZE ZE ZERO)
Without you I'm ZERO
