Silence, is there nothing more to say?
It's been long since
The white flowers of laughter have withered
The flower petals fell (more and more)

And became dirt (no)
The burning passion became ash
Why does everything good always become like this?

Don't know why (don't know why)
Tell me why (tell me why)
Why does love end?
Why are things
That will disappear
So beautiful?
It's just a daydream
Love is like a daydream

Darkness, why are you
Erasing everything black?
I can't see anything
About the eternal future by myself
Making me dream however I want

The sun has set (more and more)
And grew black (no)
The waves will crash some day
Why does everything good always become like this?

Don't know why (don't know why)
Tell me why (tell me why)
Why does love end?
Why are things
That will disappear
So beautiful?
It's just a daydream
Love is like a daydream

Even if the sun will rise again
After the night is over
I already long for this moment
That I can't hold onto

I don't know (I don't know)
Wanna know (wanna know)
Will this dream end like this?
Why can't I get both the person and the love?

In the end, it's all momentary
Love is momentary
It's just a passing dream
I don't want to wake up yet

A short daydream
A daydream
A short daydream
A daydream
