

Good Luck

Super Whatevr

All of my days have been mapped out for me
And all of my love has left no room to breathe
But I won't let you go

I didn't want to end up quite like this
But you didn't care if I still gave a shit
But I won't let you go

Oh my god you are so messed up in the head
And darling I am too

So I would like to know
If you would like to go
To my humble abode and stay no wait you hate me
Darling hate me

All of my life I thought I had it made
And then you showed up and ruined my whole day
Oh I won't let you go

Guess I'm a fool believing all your lies
But no one can say that I didn't try
Oh I won't let you go

Oh my god you are so messed up in the head
And darling I am too

So I would like to know
If you would like to go
To my humble abode and stay no wait you hate me
Darling hate me

I said I would like to know
If you would like to go
To my humble abode and stay no wait you hate me
Darling hate me

Good luck
Good luck to you love
Said good luck
Good luck to you love

Good luck
Good luck to you love
Said good luck

I said I would like to know
If you would like to go
To my humble abode and stay no wait you hate me
Darling hate me

I said I would like to know
If you would like to go
To my humble abode and stay no wait you hate me
Darling hate me

There's so much I could tell you but you're still gonna leave

So good luck to you darling and maybe one day we'll speak
The last time I remember will be the last time I forget
The scars upon your thighs or the freckles down your neck
