

## Kathrin With a K

Super Whatever

Kathrin, please  
Don't leave me  
Oh, I got nothin' to do  
But be with you  
Kathrin, please  
Don't go  
Oh, I'll just sit and wait here  
Until you show

Got a lot to think about  
Guess I'll go sort out my life  
Maybe not  
Want to stay in bed all day  
Pull back the curtains say goodnight  
For a while

Kathrin, please  
Don't leave me  
Oh, I got nothin' to do  
But be with you  
Kathrin, please  
Don't go  
Oh, I'll just sit and wait here  
Until you show

You're not the woman I met  
Think I might try goin' back in time  
Feel what's right  
There's nothing keepin' me here  
Like to see what life was like  
When you tried

Kathrin, please  
Don't leave me  
Oh, I got nothin' to do  
But be with you  
Kathrin, please  
Don't go  
Oh, I'll just sit and wait here  
Until you show

I don't wanna know  
What you got goin' inside that pretty brain of yours  
I won't keep you near  
Looks like you need me to just go praise you endlessly  
I don't wanna know  
What you got goin' inside that pretty brain of yours  
I won't keep you near  
Guess it's time that I tried lovin' so genuinely

Kathrin, please  
Don't leave me  
Oh, I got nothin' to do  
But be with you  
Kathrin, please  
Don't go  
Oh, I'll just sit and wait here

Until you show

Kathrin, please  
Don't leave me  
Oh, I got nothin' to do  
But be with you  
Kathrin, please  
Don't go  
Oh, I'll just sit and wait here  
Until you show

Kathrin, please  
Don't leave me  
Kathrin, please  
Don't leave me  
Kathrin, please  
Don't leave me  
Don't leave me  
Don't leave me
