Misquote

Super Whatevr

You're so, so cold
Leave it to the fever, I might misquote
Oh, no, misquote, oh, no

I don't know why you're feeling sad
I'm just a fool playing the bad guy
Now that we are almost there
I'd like to see if we could realize
That I'm so sick, not just impaired
But maybe we were never meant to be

You're so, so cold
Leave it to the fever, I might misquote
Oh, no, misquote, oh, no

So I call you up to hear your tune
See if you're lazy, stop being rude
But life's a joke, and we're all stoned
You lost the beauty inside your bones
Put it in your head, there I'm aware
That you're a living nightmare
But you're the same, you'll never change
I'm so damn done with being the bad guy

You're so, so cold
Leave it to the fever, I might misquote
Oh, no, misquote, oh, no

You're so, so cold
Leave it to the fever, I might misquote
Oh, no, misquote, oh, no

I am such a fool
For you-ooh-ooh-ooh, ooh-ooh-ooh-ooh
I am such a fool
For you-ooh-ooh-ooh, ooh-ooh-ooh-ooh

I am such a fool
For you-ooh-ooh-ooh, ooh-ooh-ooh-ooh
I am such a fool
For you-ooh-ooh-ooh, ooh-ooh-ooh

You're so, so cold
Leave it to the fever, I might misquote
Oh, no, misquote, oh, no

You're so, so cold
Leave it to the fever, I might misquote
Oh, no, misquote, oh, no
