

## Hero

## Superchick

No one sits with him, he doesn't fit in  
But we feel like we do when we make fun of him  
Cause you want to belong do you go along?  
Cause his pain is the price paid for you to belong  
It's not like you hate him or want him to die  
But maybe he goes home and thinks suicide  
Or he comes back to school with a gun at his side  
Any kindness from you might have saved his life

Heroes are made when you make a choice

You could be a hero  
Heroes do what's right  
You could be a hero  
You might save a life  
You could be a hero, You could join the fight  
For what's right for what's right for what's right

No one talks to her, she feels so alone  
She's in too much pain to survive on her own  
The hurt she can't handle overflows to a knife  
She writes on her arm, wants to give up her life  
Each day she goes on is a day that she is brave,  
Fighting the lie that giving up is the way,  
Each moment of courage her own life she saves  
When she throws the pills out a hero is made

No one talks to him about how he lives  
He thinks that the choices he makes are just his  
Doesn't know he's a leader with the way he behaves  
And others will follow the choices he's made  
He lives on the edge, he's old enough to decide  
His brother who wants to be him is just nine  
He can do what he wants because it's his right  
The choices he makes change a nine year old's life

Little Mikey D. was the one in class who everyday got brutally harassed  
This went on for years until he decided that never again would he shed another tear  
So he walked through the door, grabbed a four four out of his father's dressing drawer  
And said I can't take life no more  
And like that life can be lost  
But this ain't even about that  
All of us just sat back and watched it happen  
Thinkin' it's not my responsibility to solve a problem that isn't about me  
This is our problem  
This is just one of the daily scenarios which we choose to close our eyes  
Instead of doing the right thing  
If we make a choice and be the voice for those who won't speak up for themselves  
How many lives would be saved, changed, rearranged  
Now it's our time to pick a side  
So don't keep walkin' by  
Not wantin' to intervene  
Cause you wanna exist and never be seen  
So let's wake up and change the world

Our time is now
