Not Done Yet

Superchick

It's been one of those days for a lot of days now
I need a day when the world can take care of itself
This isn't what I wanted how I thought my life would turn out
And I wonder if it's like this from here on out
Sometimes life gets you, but we go on
Sometimes life gets you, we're still going on

We're not done yet
Not going quietly into the night, not me and my friends
We're not done yet, don't take us too seriously
It's just life we'll win in the end
And we walk on and on and on and we walk on and on

It's been one of those days for too many days now
I did a thing that I didn't want to do again
I fell down in the place where I always fall down and I wanna g
ive up
And let it be what it's been
Sometimes life gets you, but we go one
Sometimes life gets you we're still going on...

We're not done yet
Not going quietly into the night, not me and my friends
We're not done yet, don't take us too seriously
It's just life we'll win in the end
And we walk on and on and on and we walk on and on

It's been one of those days but I don't care now
It was only a day and tomorrow's ahead
We got this far and I know that I can ride this one out
Though I want to lie down, yet I won't wait yet
Sometimes life gets you, but we go one
Sometimes life gets you we're still going on...

We're not done yet
Not going quietly into the night, not me and my friends
We're not done yet, don't take us too seriously
It's just life we'll win in the end
And we walk on and on and on and we walk on and on

Well I won't quit yet sometimes life gets you but we go on
Sometimes life gets you, we're still going on
