

## Like a Fool

Superchunk

I dreamed you chased down my car  
Waving a sign that made no sense  
I drifted in and out  
I read the sign out loud

Like a fool  
Like a fool

I held the letter stuck on the end  
Of a stick over the pool  
And you dove in after trusting me  
Trusting me

Like a fool  
Like a fool  
Like a fool

Like a fool  
Like a fool  
Like a fool
