

## Making A Break

Superchunk

Was there a crack in the glass sliding door  
Just one step beyond  
The gravel drive, there's a steep hill away  
Oh for sure, that's the road we're on

Making a break for it  
Oh  
Making a break, yeah

Was it the wild leafy path through the stone  
Draining swamp

Seem like a safe and shady place to hunt

Making a break for it  
Oh  
Making a break, yeah

Saving up the yarns  
Of time to release and unwind  
Breaking my mind  
Like a leash, yeah like a vine  
Oh

Making a break for it  
Oh  
Making a break for it  
Oh  
Making a break
