

No Hope

Superchunk

When everything is lost and can't be found
And every loving word is just a cutting sound
Look down
Oh look up
Drain the dregs
At the bottom of your cup

With no hope no hope no hope
No hope no hope no hope
No hope no hope no hope

And here we are singing
No hope no hope no hope
No hope no hope no hope
No hope no hope no hope

Trying to breathe the atmosphere of dying stars
Gave up sending signals saying where you are
Dry out
Float away
And every crushing night leads to another endless day
Singing

No hope no hope no hope
No hope no hope no hope
No hope no hope no hope

And here we are singing
No hope no hope no hope
No hope no hope no hope
No hope no hope no hope

No hope no hope no hope
No hope no hope no hope
No hope no hope no hope
No hope no hope no hope
