

## Punch Me Harder

Superchunk

Punch me hard  
Make me feel it  
Could not pivot away  
I have to steal it

I don't want to take anything  
I feel guilty when I buy it  
I'm writing my lines down from now on  
Maybe you should try it

Punch me harder

Check you out  
I wish I could  
I'm not allowed

If I had the right code  
If I smoke the right smokes  
There's a little red stone that's breathing  
As you're leaving it sinks  
It lies at the bottom of a non-reflecting pool

Punch me harder
