

# Yeah, It's Beautiful Here Too

Superchunk

Cracked a hole in the glass bottom boat  
Now the things we killed are beginning to float  
To the top of the mosquito lake  
And all this scenery looks fake

(Yeah, yeah)  
Yeah, it's beautiful here too  
(Yeah, yeah)  
Why am I telling you  
(Yeah, yeah)  
Yeah, it's beautiful here too  
(Yeah, yeah)  
Why am I telling you  
You you you

Last year last night  
I'm tired let's fight

Yeah this ticket looks good for a while  
I'm always fucking up the four minute mile  
Though it's selfish and mean at the end of the day  
I'll take you back any old way

(Yeah, yeah)  
Yeah, it's beautiful here too  
(Yeah, yeah)  
Why am I telling you  
(Yeah, yeah)  
Yeah, it's beautiful here too  
(Yeah, yeah)  
Why am I telling you  
You you you

Last year last night  
I'm tired let's fight
