

# Defying Gravity

Superfruit

I just wonder why you can't stay calm for once instead of flying off the handle

I hope you're happy, I hope you're happy now  
I hope you're happy how you hurt your cause forever  
I hope you think you're clever

I hope you're happy,  
I hope you're happy, too  
I hope you're proud how you would grovel in submission  
To feed your own ambition

So though I can't imagine how  
I hope you're happy right now

Elphie, listen to me.  
Just say you're sorry  
You can still be with the Wizard  
What you've worked and waited for  
You can have all you ever wanted

But I don't want it, no,  
I can't want it anymore

Something has changed within me  
Something is not the same  
I'm through with playing by the rules of someone else's game  
Too late for second-guessing  
Too late to go back to sleep  
It's time to trust my instincts  
Close my eyes and leap!

It's time to try defying gravity  
I think I'll try defying gravity  
And you can't pull me down  
Can't I make you understand, you're having delusions of grandeur  
I'm through accepting limits  
'Cause someone says they're so  
Some things I cannot change but till I try,  
I'll never know!  
Too long I've been afraid of losing love I guess I've lost  
Well, if that's love, it comes at much too high a cost!

I'd sooner buy defying gravity  
Kiss me goodbye  
I'm defying gravity  
And you can't pull me down

Glinda, come with me, think of what we could do, together.  
Unlimited, together we're unlimited  
Together we'll be the greatest team there's ever been

Glinda, dreams, the way we planned 'em  
If we work in tandem  
There's no fight we cannot win  
Just you and I defying gravity  
With you and I defying gravity  
They will never bring us down

Well, are you coming?  
I hope you're happy now that you're choosing this  
You too, I hope it brings you bliss  
I really hope you get it and you don't live to regret it  
I hope you're happy in the end  
I hope you're happy, my friend

So if you care to find me, look to the western sky  
As someone told me lately, everyone deserves the chance to fly  
And if I'm flying solo at least  
I'm flying free  
To those who'd ground me, take a message back from me

Tell them how I am defying gravity  
I'm flying high defying gravity  
And soon I'll match them in renown  
and nobody in all of Oz  
No Wizard that there is or was

Is ever gonna bring me down! (I hope you're happy)  
Look at her, she's wicked, get her!  
Bring me down! (We got to bring her)  
Down!
